JOURNEY Stories

Journey stories are tales of how we and our ancestors came to America – they are a central element of our personal heritage. From Native Americans to new American citizens and regardless of our ethnic or racial background, everyone has a story to tell.

Our history is filled with stories of people leaving behind everything – families and possessions – to reach a new life in another state, across the continent, or even across an ocean.

Join us on February 8 and February 9, 2013, to hear Journey Stories from Western Nebraska
